

CREATIVE ARTISANS GALLERY

GELLI PLATE WORKSHOP

TUTOR: Turiya Bruce

DATE: 29 May, 2016

COST: \$160 Plus materials cost of \$10

TIME: 10 am – 4 pm

The Gelli Plate is the latest technology in monotyping or Artist's printing. It is easy and engaging for both beginners and advanced art makers.

Students will thoroughly enjoy the process and create a pile of works that can be taken home and framed with pride, used for backgrounds in other art pieces, made into collages or glued into art journals.

Turiya is the local Golden Artist Educator, and she will talk about the various kinds of paints that may be used on the Gelli plate and demonstrate three or four techniques that will keep the artists enthralled during our busy and exciting day.

The Gelli plate is a very responsive medium for impressing all kinds of natural and manufactured items which give varying effects and lends itself to experimentation.

This is a small group workshop with a **maximum of eight students**, which ensures that you have personal and comprehensive tuition.

MATERIALS PROVIDED BY TUTOR:

Some stencils and impressionables
Golden paints and mediums
High quality cartridge paper
Wash cloths and paper towels, baby oil and water containers
Gelli plates for use in the workshop

WHAT YOU NEED TO BRING:

Stencils, apron, their own selection of acrylic paints, paint brushes, a sheet of art paper (Stonehenge or Rosapina etc), paint rags and spray bottle of water.

Morning and afternoon tea and coffee will be supplied. Bring a plate to share for lunch!

Confirm your position in this exciting workshop by ensuring that an Enrolment Form is completed and that the class and materials fees are paid at the Gallery by Friday, 13 May, 2016.
