PRESIDENTS REPORT

Happy New Year to all our members and friends. I hope you are all 'energised' for 2019.

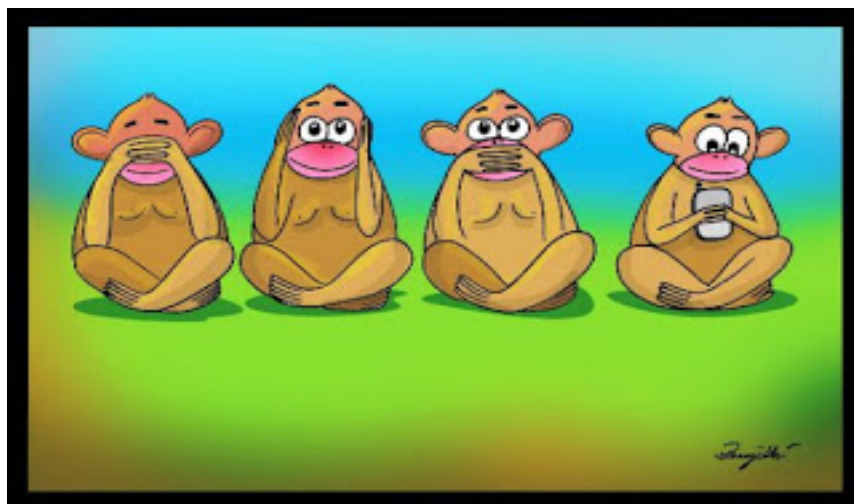

Our first meeting for 2019 will be on Monday 4th February at the RSL Club in River Street, downstairs in the Piano Bar (not Cherry Street Sports this time). 5pm for drinks and 5.30 meeting. Hope you can all come along to help plan our year ahead. Also consider staying on for dinner to catch up with each other.

BACCI has been nominated for the 2019 Ballina Shire Australia Day Awards held at 9am on Australia Day at the Lennox Head Community Centre, finalising at 11am. Any members who would like to come along are very welcome. Maybe it's our year.

The Northern Rivers Community Gallery are undergoing 'big' changes, and we have been notified that they are holding two monthly seasons. We are booked from 6th May to the 1st July 2019; with some changes to their format. Come along to the meeting to hear all about it.

Look forward to seeing you all and a big bright 2019.
